

CALL FOR PANEL MEMBERS ON SELF-MANAGEMENT INTERVENTIONS FOR TYPE 2 DIABETES MELLITUS

Are you a patient with type 2 DM or a health care provider? Do you want to help bridging the gap between current knowledge and practice of self-management interventions for patients with Type 2 DM?

Join a panel that will formulate clinical recommendations about the most promising self-management interventions (SMI) in patients with Type 2 DM.

Your work will ensure that SMIs are effective, safe and equally accesible for patients with Type 2 DM in Europe and around the globe.
