

# CALL FOR PANEL MEMBERS ON SELF-MANAGEMENT INTERVENTIONS FOR CHRONIC OBSTRUCTIVE PULMONARY DISEASE

Are you a patient with chronic obstructive pulmonary disease (COPD) or a health care provider? Do you want to help bridging the gap between current knowledge and practice of self-management interventions for patients with COPD?

Join a panel that will formulate clinical recommendations about the most promising self-management interventions (SMI) in patients with COPD.

Your work will ensure that SMIs are effective, safe and equally accesible for patients with COPD in Europe and around the globe.

Help us improve health care of patients with  
COPD

[APPLY NOW!](#)

We are looking for:

- **Health care providers**

Pulmonologists, Family Practitioners, Internists, Nurses, Physiotherapists, Psychologists and other related professionals
